Please return this form to:

The Secretary
High Wycombe Town Twinning Association.
93 Adelaide Road
High Wycombe
Bucks
HP13 6UP

WHO ARE WE?

The High Wycombe Town Twinning Association was formed in 1985 to maintain the twinning link established between High Wycombe and Kelkheim, near Frankfurt in Germany.

WHAT DO WE DO?

The Association organises exchange events between the two towns and has a committee which meets regularly to plan trips and also organises social events for members. Officers and a committee are elected at the AGM every year to organise the Association's activities. The Mayor of High Wycombe is the President of the Association.

CULTURAL EXCHANGES

Every second year a group from High Wycombe travel to Kelkheim for a weekend where they stay with a family in the town.

In the alternate years, a group from Kelkheim travels to High Wycombe for a weekend where they are hosted by a local family. We are always keen to sign up new families willing to host a German visitor. The visits normally take place in September or October.

There are also exchanges between other groups in the two towns such as the swimming clubs and schools. If you are involved in a club or sport and would like to look into the opportunities of organising an exchange with a similar club in Kelkheim then please contact us.

Kelkheim, Germany.

Kelkheim is situated in the Main-Taunus-Kreis district in Hesse, Germany. Sited on the southern slopes of the Taunus mountains, Kelkheim is noted for its attractive scenery. Kelkheim is situated approximately 10 km west of Frankfurt..

Like High Wycombe, Kelkheim has a history of furniture manufacture. The town features excellent transport links through an extensive bus and train network. Kelkheim is made up of six villages: Kelkheim-Mitte, Münster, Hornau, Fischbach, Ruppertshain and Eppenhain.
