

Programme for 2008

14th May. AGM of High Wycombe Town Twinning Association to be held at Wycombe Council Offices at 7.30pm.

19th - 21st September. Visit of party from Kelkheim to High Wycombe.

Visitors from Kelkheim

On the weekend of 19th to 21st September about 20 visitors from Kelkheim will be visiting High Wycombe. This is part of the regular twinning activity with Kelkheim. Last year a group from High Wycombe visited Kelkheim.

On the Friday, the group will be picked up from Heathrow and will spend the day in London. In the evening they will be driven to High Wycombe where they will meet their hosts and spend the evening with them. On the Saturday we are going to spend the day in Oxford with a guided tour (in English and German) in the afternoon. In the evening we all meet up for dinner with the visitors and their hosts. On the Sunday morning the visitors will be driven back to Heathrow for their flight home.

We are looking for people who are willing to accommodate a visitor or two for this weekend and provide them with an evening meal on Friday and breakfast on Saturday and Sunday. Lunch and Dinner on the Saturday will be provided for the visitors and for their host. The hosts are, of course, welcome to join the tour round Oxford on the Saturday.

If you would consider helping by hosting on this weekend, please contact Margaret Chugg on 01494 525039.

April 2008

From the Chairman

I would like to thank you for your continuing support of the Town Twinning Association.

I am pleased to report that after a few years when we received no grant from the Council, we have now been awarded an annual grant from the Town special expenses. This will allow us to continue to host visits from our twin town in Kelkheim which were at risk of being stopped. It will also allow us to continue with our efforts to establish a twinning with a town in France. I would like to thank the members of Wycombe District Council for their support to twinning.

I have been your Chairman for the past four years and at the A.G.M. next month will be stepping down from the position although I will be remaining on the committee. I would like to thank all the members for their support over that time.

This newsletter includes formal notice of the A.G.M. and I hope to see you there.

Later on in the year we will be hosting visitors from Kelkheim for their regular biennial visit and we will be looking for members to host them. They will be arriving on Friday 19th September and returning on Sunday 21st September. If you can help by providing accommodation for an individual or a couple, please let Margaret Chugg know on 01494 525039.

Yours sincerely,

Tom Green

Summit Meeting 2008

On the weekend of the 7th to 9th March, the annual summit between High Wycombe and Kelkheim took place in High Wycombe. The representatives from Kelkheim were Dr. Beate Matuschek, Wolf-Dieter Hasler and Peter Hillebrecht. After the Summit meeting on Saturday we visited Oxford which is where we shall be going in September for the main twinning visit. In the evening we took our guests to a "Murder Mystery Dinner" being held at Wycombe Heights Golf Club in aid of the Mayor's Appeal. Although some of the language was a bit hard for our visitors to understand, they had a good evening and suggested that a themed evening like this might be popular in Germany where it is currently unknown.

At the Murder Mystery Dinner.
